TO: Council Member Wiles and Citizen Soto

THROUGH: Jeannine Rustad, Director of Planning and Business Development

FROM: Brandon Cammarata, Manager, Current Planning Division

DATE: Wednesday, April 24, 2026

SUBJECT: Request # 0002633 – Data Centers and Ward II Town Hall from April 9

Thank you for your request to the Planning and Business Development Department.

- The map below identifies locations of datacenters.
- There were several folks who spoke at the town hall. While you were recording and asking your questions, the people who spoke were me, Brandon Cammarata, Manager of the Current Planning Division, and Jeannine Rustand, Director, Planning and Business Development, both at the City of Aurora.
- I am sorry, I am not recalling a free educational meeting. If you have more details, I may be able to assist further.
